

Christmas Ornaments - Type 3

INSTRUCTIONS

- Print the ornament on card [or thick paper]
- Score on the dotted lines and fold
- Cut out the 4 pieces
- Glue the pieces back-to-back, to create a 3D ornament
- Subtly ink the edges, to avoid seeing the white paper
- To hang, either punch a hole and insert ribbon, or sandwich the ribbon in the middle when glueing the pieces together.

Optional ideas:

- Use spray glue and glitter the whole ornament for some seasonal sparkle
- Glue glass glitter on the edges to give a frosted look.
