Referees

At Tamworth Castle we want to provide volunteers, staff and the public with a safe, reliable and fun experience. The purpose of asking volunteers for references is to make sure we know what to expect, and in the same way as references are asked for with staff, that people are genuine in their search for a role. Please provide details of two referees to support your application, bearing in mind that we will contact them soon after your application is received.

Please don't put relatives as your referees, as we cannot accept them, however, people such as ex-employers, people you may have volunteered for in the past, a social worker or anyone you have a professional relationship with are fine. One of your referees can be a friend, someone you have worked with, or a fellow volunteer. If you have any reservations about giving referees, please get in touch with Tamworth Castle, we are here to help and will do in any way we can.
